## EMILY MOSS

Regional Marketing Consultant  
Membership Development

As a Registered Dental Assistant, Emily Moss put herself through college working in a dental office. This background has proven to be a great asset in her role as Regional Marketing Consultant at 1-800-DENTIST. Emily combines her experience on the clinical side with her knowledge of dental marketing to provide dentists with a comprehensive approach to marketing their practices.

Since Emily knows firsthand how it feels to juggle new patient calls, appointment reminders, insurance hassles and empty-chair syndrome; dentists she guided to the program have been in good hands. “During college, when I wasn’t in class or studying, I was at my dentist’s office. I know how difficult it can be to make marketing work, so it’s been a real pleasure to work here. The company always puts the individual dentist first, above all else. I admire that integrity and everyone I help can expect the same honesty and forthrightness from me,” says Emily.

Born and raised in Michigan, Emily earned her Bachelor’s of Science in Community Development. Her leisure time is spent with family and friends, shopping or creating a masterpiece in the kitchen. Emily can sometimes be found indulging in a guilty pleasure, reality TV (especially “Top Chef”) and Nicholas Sparks’ novels.

If you have questions, Emily has answers. She will personally set up a marketing plan that best fits your office.

Emily is here as a resource for you. Call anytime at 1-800-222-9633.
